TERMS & GENERAL CONDITIONS OF SALE

1) Contracting parties

This contract (hereinafter known as Purchase Order) is concluded between the buyer (referred to below as "BUYER") and the E.P. srl company designated in the order (referred to below as "SELLER"). Together, the Buyer and the Seller are designated as the "contracting parties".

2) Quotations

Unless otherwise stated on Seller's quotation form, the price and terms quoted in the quotation are subject to acceptance by the Buyer for a period of 60 days from the date thereof.

In the event that an order should be produced after 6 months from the signing date of the contract for reasons not attributable to E.P., E.P. reserves the right to modify the original price with the current price from the E.P.'s price list at the moment of the put into production.

3) Entire agreement

This Agreement constitutes the entire understanding between the parties regarding the subject matter hereof and may not be modified by any terms on Buyer's purchase order, acknowledgement or any other document, regardless of when provided to Seller.

Alternate terms and conditions or similar documents submitted by either party shall not apply, save where agreed in writing by the contracting parties and signed in confirmation thereof.

The closure of this contract is to be considered done only after E.P. accepts (confirms) the order. All the orders are effective for the Seller and the Buyer only if written in this form.

E.P. has developed each of its Products to be used in normal conditions of temperature, moisture, dirt, not to be exposed to corrosive matter and located far away from places with a high risk of explosion.

4) Cancellation

E.P. reserves the right to cancel this contract at any time by previous notification to the Buyer and without having to pay any kind of indemnification but the restitution of eventual advance payments.

5) Penal clause

In case the Buyer, after the subscription contract, recedes the latter, E.P. has the right to ask:

-The quantity equal to the 50% of the purchase price as a compensation in the event the recede from this contract takes place before the put into production of the product.

-The quantity equal to the 100% of the purchase price in the event the product has been already produced or put into production.

Subject without prejudice to claims for further loss.

6) Modifications

E.P. reserves the right to modify the Products during the design and implementation phase if this is retained appropriate but without modifying any of its overall normal functions. The data shown on the brochure and on this contract are indicative and could undergo variations which will be notified to the Buyer when the project design is sent.

7) Delivery

All material is sold with the ex-factory modality (no transportation included), the Buyer has to bear all costs and risks involved in the taking and transportation process of the product from the Seller premises.

8) Warranty

The warranty should be valid for a period of twelve (12) months from the delivery date of the material. The warranty does not cover defects for natural reasons of usage, damage or defect caused by or occurring in transit or shipment, improper installations, misuse, vandalism, or abuse, exposure to or use in abnormal conditions of temperature, moisture, dirt, corrosive matter, etc., neglect, lack of normal maintenance or repairs, modifications or any other cause beyond our control.

Any visible damaged or missing material must be indicated at the time of delivery or no later than three months after the material has been shipped, past this deadline, the material can be supplied by the Seller to the Buyer only after payment of the latter one.

9) Payment

All payments must be made within the time limit agreed in this contract to E.P. Elevatori Premontati srl, Via Querceto 27, Prato, Italy. Payments can not be suspended for any reason. Seller reserves the right to discontinue work if not paid when payment is due and this also implies charging of overdue interests provided by art. 5 DPR 231/02.

10) Registered office and competent court

The registered office of E.P. is on Via Querceto 27, Prato, Italy. In the event of disputes arising out of, or in connection with, this contract or with these terms and conditions of purchase, the contracting parties hereby declare that the court at the place where E.P. has its registered office shall have sole jurisdiction and this is on the city of Prato.

11) Consent for personal data processing

With the compilation of this contract, the Buyer agrees according to art.13 D.lgs 196/03 to the processing and disclosure of personal data to perform the objectives relating to administration management – including disclosure and accounting records, contractual relations and the fulfilment of obligations as required by law, rules or normative conditions.
